

The Adjustment of Sellers Fee of CIEX Token

Dear users,

According to the analysis of MyToken – one of the leading crypto information platform in China, the ranking of CIEX Digital Assets Exchange Platform has jumped to 168 among hundreds of exchange platforms.

In order to more effectively manage CIEX Token's market value, increase rewards for active users and dividends to holders. The seller fee of CIEX Token has been temporarily adjusted to 30%. And the buyer fee remains unchanged at 0%. When the goal of CIEX Token's market value has been achieved, the above measures will be reviewed and adjusted.

Example

Qty. of Sell (CIEX)	Price (USDT)	Acquired (USDT)	Seller Fee (30%)	Actual Acquired (USDT)
1,000	0.01	10	*3	7

* The fee earned by the CIEX will be used to reward the active users and CIEX Token holders as dividends

Thank you for your kind attention.

Yours Faithfully,

CIEX Team
